

# OTS Fast Grip

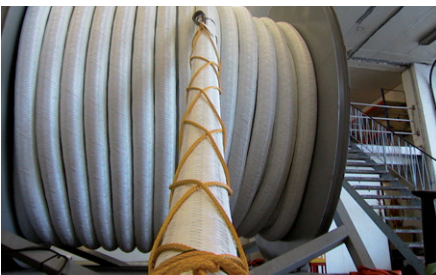

STRONG CONNECTIONS

## OTS Fast grip

The OTS Fast grip is made of Dextron® 12 Plus, SK78 Dyneema®. It is safe to use, fits a large range of applications and can be used on a variety of ropes, cables and umbilicals. It is easy to install without any tools and we provide tailor made fast grips according to customers needs. Hard eyes or other end terminations are available on request.
